

Waco Bicycle Club

The purpose of Waco Bicycle Club (WBC) is to promote the sport of cycling as a healthy, lifetime physical activity. Membership ranges from those who try to ride every day to casual recreational riders. The WBC has weekly training and recreational rides of varying intensities to appeal to riders of all abilities. We have meetings the third Monday of every month for fellowship, event planning, and programs of interest to cyclists. WBC members promote area bicycling events through their involvement with the annual Outback Blowout mountain bike race and the Waco Wild West Century bicycle tour. Other activities include trail building and maintenance in area parks, child safety education through bicycle rodeos, group picnic rides, breakfast rides, time trials, and Bikes for Kids program. WBC members get the added benefit of receiving a 10% discount on bicycling parts, accessories and apparel at Bicycles Outback. So whether you prefer road bikes or mountain bikes, fast pace lines or leisurely tours, join the Waco Bicycle Club to share and promote our love of cycling.
